HAWAIIAN POOL BUILDERS Captures Awards in Regional Pool, Spa and Hot Tub Competition

TOLEDO, Ohio – In a competition that invited entries from pool builders in 6 states, Hawaiian Pool Builders received a Gold Award in the Commercial Semi-Public Pools Category, a Silver Award in the Residential Concrete Pools, \$50,000+, 600sf+ Category, a second Silver Award in the Residential Concrete Pools Under \$50,000, 450sf+ Category, and third Silver Award in the Residential Interior Pools Category, in the 2007 Annual Awards of Excellence competition conducted by the Association of Pool & Spa Professionals, Region 6.

The awards competition is open to members of the Association in Kentucky, Michigan, Western New York, Ohio, Western Pennsylvania and West Virginia. Entries are solicited in October and November each year, and the winners are recognized in mid-February.

Hawaiian Pool Builders, a Maumee-based company, has been in business for 20 years and builds custom gunite, vinyl liner and fiberglass pools for both residential and commercial clients. They have proven their expertise and diversity through entries in four different categories of the 2007 APSP competition and their subsequent awards in each category. Hawaiian Pool Builders received the Gold award for its installation of the pools and spa at the Toledo area's first indoor waterpark, "Splash", located in the new Holiday Inn on Reynolds Road at Dussel, in Maumee. The three Silver Awards were residential installations where Hawaiian Pools' quality workmanship and attention to detail are showcased along with uniqueness of design and overall esthetics.

The Association of Pool & Spa Professionals is an industry trade association with over 4,000 members, including swimming pool builders, pool service companies, retailers, distributors and manufacturers. The Association promulgates design and construction standards that are approved by the American National Standards Institute (ANSI). It also offers the industry extensive training programs leading to certification in swimming pool building and service. For information regarding the Association visit www.APSP.org.
